

# FCJ AND FOSRICH RAISE THE SHUTTER

The biggest handing over to a client in over 4 years, the FosRich Group of Companies is our newest client. FosRich on Tuesday, July 21, 2020 signed a 25 year lease contract with FCJ to occupy 120,000 sq.ft. of space at the Hayes Freezone in Hayes Clarendon. This now brings our occupancy rate to **98%**.

The company is a distributor of lighting products and manufacturer of PVC pipes. With this new addition of space at the Hayes Freezone, FosRich will be manufacturing and repairing transformers.
